Hello, it is with a heavy heart we have to let our CSA members know that we are not going to continue the CSA after September 25th. If you have paid for the full season we will fulfill our obligation to you for the month of October. If your account is running behind please bring it current so we may wrap up the bookkeeping. At this point we do not know if we will continue in the spring but if we do we will notify you.

This Week's Box

We have potatoes, squash, tomatoes, red sweet peppers, apples, okra, herbs, red potatoes, garlic, onions, jalapenos and eggplant.

Farm Report

We will have pomegranates next week. Not too much information since we are winding down.

We would like to extend a very warm "Thank you"; your support has meant everything to the farm and to us. We need to keep up the good work that we have done by; going green, consciousness of our carbon footprints, and slowing down a bit to share time with friends and family. We have so much enjoyed the friendships we have made along the way. We wish you and your family the very best in health and happiness.

Until next week,

Farmer John & Shelby
